STATEMENT OF FACTS

Defendant Zillow’s Systematic Infringement of Real Estate Photographs

12. Founded in 2004, Zillow owns and operates the largest real estate website in the world, www.zillow.com (“Website”).

13. The core of Zillow’s Website is the “Living Database of All Homes,” which includes individual detail pages for most of the individual homes in the United States. These Home Detail Pages (“HDPs”) provide data such as sales history, number of rooms, and Zillow’s proprietary “Zestimate” calculation of the property’s current market value.

14. In many instances, the HDPs include exterior and/or interior photographs of the home at a particular address.

15. The HDPs for properties currently listed for sale identify the sales price, the listing agent, and other real estate agents in the area. On information and belief, Zillow derives the great majority of its revenue by advertising local real estate agents on these listings.

16. On information and belief, Zillow obtains information on current real estate listings in data feeds culled primarily from regional associations of brokers known as multiple listing services (“MLS”).

17. MLSs are private databases of individual properties created and maintained by real estate professionals -- primarily licensed real estate brokers -- to help their clients buy and sell real estate. The databases contain relevant

1 information about current real estate listings including, in many instances,
2 photographs of listed properties.

3
4 18. Typically, once a property is sold or otherwise taken off the market,
5 the information about the listing, including the photographs of the property, are no
6 longer accessible through the MLS database.

7
8 19. On information and belief, there are over 700 MLS systems across the
9 United States.

10 20. On information and belief, Zillow copies as many as five million
11 photographs per day through its hundreds of MLS feeds without verifying
12 copyright ownership of the copied photographs.

13
14 **George Gutenberg is a Real Estate Photographer**

15 21. Gutenberg is a professional architectural and commercial
16 photographer, specializing in the photography of high-end luxury residential
17 properties and commercial buildings, as well as hospitality, restaurant, and retail
18 environments. His work has been featured in over 100 domestic and international
19 magazine covers.
20

21
22 22. Typically, Gutenberg is hired by real estate agents as an independent
23 contractor to photograph a property for a negotiated fee. Gutenberg retains the
24 copyright to all photographs taken of each property, and grants the real estate agent
25 a limited license to use the photographs for up to one-year purposes of marketing
26 the property. The limited license allows the real estate agent to place the
27
28

1 photographs on their website, in brochures, real estate magazines, and on the MLS.
2 The license expressly states that it is not transferrable and prohibits third party use
3 without permission from Gutenberg. Attached hereto as Exhibit A is a true and
4 correct copy of a typical licensing agreement between Gutenberg and a real estate
5 agent.
6

7 23. In addition to marketing real estate, Gutenberg frequently licenses
8 individual photographs from his library for use in print and online publications, as
9 well as for private, editorial, and commercial usage.
10

11 24. Gutenberg is the sole owner and author of a 543 photograph of various
12 real estate properties (“Images”), which are part of his larger library of architectural
13 and interior design-type photographs.
14

15 25. Gutenberg has registered his Images with the United States Copyright
16 Office as group registrations. Attached hereto as Exhibit B is document containing
17 true and correct copies of Gutenberg’s Images as well as true and correct
18 registration information.
19

20 26. On or about March 2018, Gutenberg discovered that a number of his
21 Images were being used on Zillow’s Website. After a subsequent investigation,
22 Gutenberg discovered that hundreds of his Images were being used on Zillow’s
23 HDP pages.
24

25 27. Gutenberg had no record of issuing a license to Zillow or otherwise
26 granting permission for Zillow to use any of the Images.

**FIRST CAUSE OF ACTION
COPYRIGHT INFRINGEMENT
17 U.S.C. § 101 *et seq.***

28. Plaintiff incorporates by reference all of the above paragraphs of this Complaint as though fully stated herein.

29. Plaintiff did not consent to, authorize, permit, or allow in any manner the said use of Plaintiff’s unique and original Images by Defendants.

30. Plaintiff is informed and believes and thereon alleges that said Defendants willfully infringed upon Plaintiff’s copyrighted Images in violation of Title 17 of the U.S. Code, because, *inter alia*, Defendants knew or should have known they did not have a legitimate license for the Images.

31. As a result of each and every Defendants’ violations of Title 17 of the U.S. Code, Plaintiff is entitled to actual damages and profits pursuant to 17 U.S.C. §504(b), or statutory damages in an amount up to \$150,000.00 for each infringement pursuant to 17 U.S.C. § 504(c).

32. As a result of the Defendants’ violations of Title 17 of the U.S. Code, the court in its discretion may allow the recovery of full costs as well as reasonable attorney’s fees and costs pursuant to 17 U.S.C § 505 from Defendants.

33. Plaintiff is also entitled to injunctive relief to prevent or restrain infringement of his copyright pursuant to 17 U.S.C. § 502.

///
///

PRAYER FOR RELIEF

WHEREFORE, Plaintiff prays that judgment be entered against Defendants

- For an award of actual damages and disgorgement of all of Defendant’s profits attributable to the infringement for the registered Works as provided by 17 U.S.C. § 504 in an amount to be proven or, in the alternative, at Plaintiff’s election, an award for statutory damages against Defendant in an amount up to \$150,000.00 for each infringement pursuant to 17 U.S.C. § 504(c), whichever is larger;
- For an order pursuant to 17 U.S.C. § 502(a) enjoining Defendants from any further infringing use of any of Plaintiff’s Images;
- For costs of litigation and reasonable attorney’s fees against Defendant pursuant to 17 U.S.C. § 505;
- For an award of pre- and post-judgment interest; and
- For any other relief the Court deems just and proper.

Important Image Licensing Terms

You are hereby granted a one-time license to use these images in a brochure, on your website, on MLS, and in typical real estate magazines, for the purpose of marketing the property. This license becomes valid upon full payment of our invoice, and for a period of up to one year. The license is NOT transferable to any other party.

A photo credit is required if images are published in any print form, such as magazine advertisements, or printed brochures as follows:

"© 2018 www.GeorgeGutenberg.com"

or

"*Photography by George Gutenberg*"

Social media use such as on Facebook, Twitter, Pintrest, or your Blog, is *permitted only for images watermarked "your name / © 2018 www.GeorgeGutenberg.com"*, maximum image size 1000x1000 pixels, but expressly prohibits the posting of any images created for the client on web sites which claim full resale and distribution rights. If you are unsure about a particular site, notify us prior to uploading, and we will research the site terms to ensure that the terms do not amount to a rights-grab.

If you need us to assist you with making images with watermarks, just let us know, and we will gladly supply you a set free of charge!

No 3rd party use: Only the photographer who is the sole registered copyright holder can grant any 3rd party use. Copyright violations are pursued vigorously. For example, images cannot be share, "loaned" or transferred to architects, builders, vendors or individuals for editorial or commercial uses, whether provided at a charge or at no-charge.

Should the homeowner request images, let us know, and we will contact them and provide a special set for them together with a personal-use license (that precludes the use by, for example - another realtor!)

Your use of these images constitutes your agreement to abide by the above noted licensing terms.
