**ACTION BY UNANIMOUS WRITTEN CONSENT
IN LIEU OF MEETING
OF THE BOARD OF DIRECTORS OF
STAGING AND DESIGN NETWORK, INC.**

The undersigned, being all the members of the Board of Directors (the “**Board**”) of Staging and Design Network, Inc., a Delaware corporation (the “**Company**”), pursuant to Section 141(f) of the Delaware General Corporation Law, hereby adopt the following resolutions by unanimous written consent in lieu of a meeting.

APPROVAL OF MINUTES

WHEREAS, the Board conducted a special meeting on February 7, 2022 (“**February 7th Board Meeting**”), at which it reviewed and considered the Company’s statutory and other options for completing the liquidation, dissolution and winding up of the Company; and

WHEREAS, the Board desires to approve the minutes of the February 7th Board Meeting substantially in the form presented and attached hereto as Exhibit A (the “**February 7th Board Meeting Minutes**”).

RESOLVED, that the February 7th Board Meeting Minutes are hereby approved.

RECEIVERSHIP AND BANKRUPTCY

WHEREAS, due to the Company’s defaults under the Loan & Security Agreement dated as of January 10, 2020, as amended, and related agreements and instruments (collectively, the “**Loan Documents**”), by and between Second Century Ventures, LLC (“**Secured Lender**”), the Board, prior to these resolutions, directed the Chief Executive Officer to proceed with the liquidation, dissolution and winding up of the Company to preserve assets for the Secured Lender and other creditors;

WHEREAS, after extensive consultation with legal counsel and review of materials presented by management of the Company regarding the liabilities, cash flow, liquidity, prospects, and risks facing the Company, the Board considered the statutory and other options for completing the liquidation, dissolution and winding up of the Company and provided their perspective with respect to same, concluding that the Company should either execute a voluntary assignment for the benefit of creditors under Washington law (“**ABC Receivership**”) or file a petition (“**Bankruptcy Petition**”) seeking relief under the provisions of Chapter 7 of the United States Bankruptcy Code, 11 U.S.C. § 101, *et seq.* (the “**Bankruptcy Code**”);

WHEREAS, the Board concludes that the ABC Receivership is the most efficient and expeditious means for winding up the Company and returning the most value to creditors and should be initiated immediately, if reasonably possible; and

WHEREAS, if the Company is not able to engage an assignee and file an ABC Receivership by 5 PM Pacific Time on February 11, 2022, the Board concludes that a Bankruptcy Petition is the next most efficient and expeditious means for winding up the Company and returning the most value to creditors and should be initiated immediately after such time.

RESOLVED, that the Chief Executive Officer and the Chair of the Company, and each of them (the "**Authorized Officers**"), with full authority to act without the other, are hereby authorized to consider and to select an appropriate assignee for purposes of initiating an ABC Receivership, and to inform the Board promptly in writing of such selection;

RESOLVED, that the Authorized Officers are hereby authorized to finalize and to file an ABC Receivership in accordance with applicable Washington law, substantially in form described to the Board, with such modifications thereto as the Authorized Officers executing the same may approve (such approval to be evidenced by the execution by an Authorized Officer of any such documents on behalf of the Company), and to execute any and all documents related to or contemplated thereby and to take such other action in connection therewith as shall be required thereby or as any such Authorized Officer shall deem necessary or advisable;

RESOLVED, that Perkins Coie LLP is hereby retained to represent the Company in connection with preparation for and filing of such ABC Receivership, provided that nothing herein shall be deemed to limit the assignee's choice of counsel or the control of the receivership court in any respect;

RESOLVED, if the Company is not able to engage an assignee and file an ABC Receivership by 5 PM Pacific Time on February 11, 2022 (the "**ABC Deadline**"), the Board unanimously approves the Company filing a Bankruptcy Petition seeking relief under the Bankruptcy Code;

RESOLVED, after the ABC Deadline if the ABC Receivership has not commenced, each of the Authorized Officers, with full authority to act without the other, is hereby authorized, empowered and directed in the name and on behalf of the Company to take all actions in connection with the Chapter 7 case authorized herein;

RESOLVED, after the ABC Deadline if the ABC Receivership has not commenced, that the Authorized Officers be, and each of them, with full authority to act without the other, hereby is, authorized, empowered, and directed, in the name and on behalf of the Company, to execute and verify a petition in the name of the Company under Chapter 7 of the Bankruptcy Code and to cause the same to be filed in the United States Bankruptcy Court in such form and at such time as the Authorized Officer executing said petition on behalf of the Company shall determine;

RESOLVED, after the ABC Deadline if the ABC Receivership has not commenced, that the Authorized Officer be, and each of them, with full authority to act without the other, hereby is, authorized, empowered, and directed, in the name and on behalf of the Company, to execute and file or caused to be executed and filed (or to direct others to do so on their behalf as provided herein) all necessary documents, including, without limitation, all petitions, affidavits, schedules, motions, lists, applications, pleadings and other papers, and in that connection to employ and retain all assistance by legal counsel, accountants or other professionals and to take any and all other action which they or any one of them deem necessary or appropriate in connection with the Chapter 7 case contemplated hereby; and

RESOLVED, that all acts lawfully done or actions lawfully taken by any Authorized Officer to seek relief under Chapter 7 of the Bankruptcy Code or in connection with the Chapter 7 case, or any matter related thereto, be, and hereby are, adopted, ratified, confirmed and approved in all respects as the acts and deeds of the Company.

GENERAL AUTHORITY

RESOLVED, that the Authorized Officers of the Company, or any one of them, are hereby authorized to take any and all actions and to execute on behalf of the Company any and all documents as may be deemed by any one of them to be necessary or advisable to effectuate the purpose and intent of the foregoing resolutions, and the taking of any and all such actions and the execution of any and all such documents in connection with the foregoing shall conclusively establish their authority therefor from this Company and the approval and ratification thereof by this Board; and

RESOLVED, that any and all actions heretofore taken by Authorized Officers of the Company, or any one of them, in the name and on behalf of the Company in furtherance of the preceding resolutions are ratified, approved, adopted and confirmed.

OF THE BOARD OF DIRECTORS**

February 7, 2022

TIME AND PLACE

A special meeting of the Board of Directors (the "**Board**") of Staging and Design Network, Inc., a Delaware corporation (the "**Company**"), was held on February 7, 2022, via video conference call, commencing at approximately 5:05 PM Pacific time. Also present were John Kaplan, insolvency and bankruptcy attorney with Perkins Coie, Sam Blum, part-time finance director, and Robert Bergquist, part-time general counsel. The board observers were not invited due to conflict-of-interest issues and to preserve attorney-client privilege of legal advice.

Mr. Liu served as Chair of the meeting and, upon motion duly made and seconded, called the meeting to order, conducted a roll call, and determined a quorum was present. Mr. Bergquist acted as Secretary and recorded the minutes of the meeting.

After discussion, the Board adopted the following resolutions concerning the agenda and minutes from the last meeting of the Board:

APPROVAL OF AGENDA

RESOLVED, that the meeting agenda in substantially the form circulated prior to the meeting is hereby approved.

EXECUTIVE REPORT

Ms. Lansinger provided a detailed report on the status of the liquidation, dissolution and winding up of the Company, as well as discussions with Second Century Ventures, LLC, the Company's secured lender, and other involved parties. Questions were asked and discussion ensued regarding relevant topics.

LEGAL PRESENTATION AND DISCUSSION

Mr. Kaplan described the statutory and other options the Board had for completing the liquidation, dissolution and winding up of the Company. A significant number of questions were asked and extensive discussion ensued regarding relevant topics and the relative merits of each option, as well as the Board's legal duties.

RESOLUTIONS

After discussion, motions, and votes, the following resolutions were adopted by the Board:

1. The Company's CEO and other authorized officers, individually or together, are authorized, empowered, and directed to proceed with a statutory Assignment for Benefit of Creditors Receivership ("**ABC Receivership**") under applicable Washington law.

2. If formal engagement of a receiver to conduct an ABC Receivership is not achieved by 5 pm Pacific Time by February 11, 2022, the Company's CEO and other authorized officers, individually or together, are authorized, empowered, and directed to proceed with a Chapter 7 Bankruptcy under applicable law.

Mr. Liu requested legal counsel to prepare a Consent in Lieu of a Meeting to approve the minutes of this Board meeting and formal resolutions providing additional detail as may be appropriate.

ADJOURNMENT

At the conclusion of the above discussion, there being no further business for the Board, the meeting was thereupon adjourned by Mr. Liu at approximately 6:08 PM.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY, AND DISCLAIMER REGARDING
DEBTOR'S SCHEDULES AND STATEMENTS**

The Schedules of Assets and Liabilities (the “Schedules”) and Statement of Financial Affairs (the “Statement”) filed by Staging and Design Network, Inc., (the “Debtor”) in the United States Bankruptcy Court for the Western District of Washington (the “Bankruptcy Court”) were prepared pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. 101 *et seq.* (the “Bankruptcy Code”) and Federal Rule of Bankruptcy Procedure 1007 by the Debtor’s retained forensic accountant and are unaudited. While the professionals responsible for the preparation of the Schedules and Statement have made a reasonable effort to ensure that the Schedules and Statement are accurate and complete based on information known and to them at the time of preparation after reasonable inquiries, inadvertent errors may exist and/or the subsequent receipt of information may result in material changes to financial and other data contained in the Schedules and Statement that may warrant amendment of the same. The forensic accountant who prepared the schedules did not have access to TriNet or Bill.com and is not responsible for omissions based on such lack of access. Moreover, because the Schedules and Statement contain unaudited information without the assistance of any current employees of Debtor, there can no assurance that these Schedules and Statement are complete or accurate.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtor’s Schedules and Statement (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of, the Debtor’s Schedules and Statement. In the event of any inconsistency between the Global Notes and the Schedules and Statement, the Global Notes shall control and govern.

The Schedules and Statement have been signed by Tricia Tomlinson, a director and now authorized representative of the Debtor. In reviewing and signing the Schedules and Statement, this representative relied upon the efforts, statements and representations of the Debtor’s professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses. Moreover, since October 2021, Ms. Tomlinson has served solely as a director and was not responsible for the day-to-day operations of the Debtor.

1. **Estimates and Assumptions.** The preparation of the Schedules and Statement requires the Debtor to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities on the date of the Schedules and Statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. **Unknown Amounts.** Some of the scheduled liabilities are unknown and unliquidated at this time. In such cases, the amounts are listed as “Unknown.” Because certain scheduled liabilities are unknown and unliquidated, the Schedules and the Statement do not accurately reflect the aggregate amount of the Debtor’s liabilities.

3. **GAAP.** Given the difference between the information requested in the Schedules and Statement, and the financial information utilized under generally accepted accounting principles in the United States (“GAAP”), the aggregate asset values and claim amounts set forth in the Schedules and Statement do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

4. **Asset Values.** It would be prohibitively expensive, unduly burdensome, inefficient, and time-consuming to obtain additional market valuations of the Debtor’s property interests. Accordingly, to the extent any asset value is listed herein, and unless otherwise noted therein, net book values rather than current market values of the Debtor’s property interests are reflected in the applicable Schedule. As applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value.

5. **Setoff or Recoupment Rights.** The Debtor has not included on Schedule D parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtor, or inchoate statutory lien rights. Such counterparties have been listed on Schedule F.

6. **Co-Obligors.** No claim set forth on the Schedules and Statement of the Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by another party.

7. **Insiders.** In those circumstances where the Schedules and Statement require information regarding insiders and/or officers and directors, included therein are the Debtor’s (a) directors and (b) employees that are, or were during the relevant period, officers. The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Further, employees have been included in this disclosure for informational purposes only and should not be deemed to be “insiders” in terms of control of the Debtor, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

8. **Intellectual Property.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred. The Debtor reserves all of its rights with respect to the legal status of any and all such intellectual property rights.

9. **Member and Investor Owned Inventory.** The Debtor entered into many agreements with various parties under which the party provided furniture to the Debtor for use in the Debtor’s pool of property rented for staging of real property for sale. In most cases, the customer is entitled to a percentage of revenue generated, and the parties have an agreement upon the sharing of the proceeds upon disposition of the furniture. As of the filing of the petition, the Debtor owes rental commissions to some of these parties. Most of the furniture is in the Debtor’s

warehouse. Some may still be in various homes for staging. The Debtor has listed each counter party as having an executory contract, and has attached to Schedule G a detail list of the furniture owned by investors or members according to the Debtor's most recent records.

10. **Schedule D.** Although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the recharacterization of the structure of any such transaction or any document or instrument related to such creditor's claim except as otherwise agreed to pursuant to a stipulation or an agreed order or any other order entered by the Bankruptcy Court. No claim set forth on Schedule D is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The Debtor reserves all of its rights to amend Schedule D to the extent that the Debtor determines that any claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtor of the legal rights of a claimant or a waiver of the Debtor's rights to recharacterize or reclassify a claim or contract.

11. **Schedule E/F.** The Debtor's analysis of potential priority claims is ongoing, and amounts listed as priority claims on Schedule E/F remain subject to such analysis. Amendments will be made to Schedule E/F as necessary. Although reasonable efforts have been made to identify the date of incurrence of each claim, determining the date upon which each claim on Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtor does not list a date for each claim on Schedule E/F.

Schedule E/F may contain potential claims on account of pending litigation involving the Debtor. Each potential claim associated with any such pending litigation is marked as contingent, unliquidated and disputed in the Schedules and Statement. Some of the potential litigation listed on Schedule E/F may be subject to subordination pursuant to section 510 of the Bankruptcy Code.

12. **Schedule G.** Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors may have occurred. Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using reasonable efforts. The Debtor has only scheduled claims and executory contracts for which the Debtor may be contractually and/or directly liable. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement was an executory contract or unexpired lease as of the petition date, or that it is valid or enforceable. The Debtor hereby reserves all of its rights to dispute or challenge the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G, including contracts, agreements or leases that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents that may not be listed on Schedule G, and to amend or supplement Schedule G as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other

miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. The Debtor reserves all of its rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including but not limited to, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry. In some cases, the same supplier or provider may appear multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. The Debtor expressly reserves its rights to challenge whether such related materials constitute an executory contract, a single contract, or multiple, severable or separate contracts. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as subordination agreements, supplemental agreements, settlement agreements, amendments/letter agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. Further, the Debtor may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. The Debtor reserves all of its rights with respect to such agreements. The Debtor also reserves all of its rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim. Further, the Debtor reserves all rights to later amend the Schedules and Statement to the extent that additional information regarding the Debtor obligor to an executory contract becomes available.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. The Debtor reserves all rights to challenge whether any of the listed contracts, leases, agreements or other documents constitute an executory contract or unexpired lease, including if they are unexpired non-residential real property leases. Any and all of the Debtor's rights, claims, and causes of action regarding the contracts and agreements listed on Schedule G are reserved and preserved. Schedule G may be amended at any time to add any omitted contract, agreement or lease.

13. **Schedule H.** The Debtor may not have identified certain guarantees associated with the Debtor's executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. The Debtor reserves all of its rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

Neither the Debtor, its agents, nor its attorneys guarantee or warrant the accuracy, the completeness, or correctness of the data that is provided herein or in the Schedules and Statement, and neither is liable for any loss or injury arising out of, or caused in whole or in part by, the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtor and its agents, attorneys and advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein, or to

notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtor or its agents, attorneys and advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business or lost profits), whether foreseeable or not, and however caused, even if the Debtor or its agents, attorneys and advisors are advised of the possibility of such damages.
